DISCLOSURES TO CONSUMERS:

These discount medical plans are NOT health insurance or a Medicare Prescription Drug Plan. Membership in these programs entitles you to discounts for certain medical services and prescription drugs by providers who have agreed to participate in these discount programs. These programs do NOT make payments directly to the providers of medical services and prescription drugs. The programs' members are obligated to pay for all healthcare services, but will receive a discount from those healthcare providers who have contracted with these discount programs. The name, address and specialty of the discount medical and prescription drug program providers in your service area are available before purchase and upon request by logging on to www.ameriplanusaprovidersearch.com or call the AmeriPlan® Consumer Information Center at 1-800-647-8421.

Quality of care complaints should be addressed to the appropriate licensing agency in your state.
